

OSHA General Industry 10-Hour

Led by Chris Johnson
 Senior Occupational Safety Consultant
 MIOSHA, CET Division

Who Should Attend...

This seminar is a must for anyone concerned about health and safety on the job, including:

- Managers concerned about workers' compensation costs
- Employees who want to learn proper techniques for protecting their safety and health at work
- Business owners who want to learn about compliance with Michigan Occupational Safety and Health Administration (MIOSHA)

What You'll Learn...

Many companies are faced with the need for employees to perform new or multiple job functions. As personnel shifts to accommodate business needs it is essential to understand the importance of safety and health programs and their effect on business. This course offers an introduction to OSHA and MIOSHA, the resources and tools to create or enhance an effective safety and health program, and highlights of many key General Industry Safety and Health Standards. In this two-day course, each student will receive an OSHA General Industry 10-Hour card upon successful completion of the course.
