

MIOSHA Training Registration Form

Asbestos & Lead Awareness

What You'll Learn...

Construction and general industry workers often encounter asbestos and lead, especially in buildings constructed before 1981. Tasks such as demolition, renovation, repair, and painting can disturb these hazardous materials. This awareness training is designed for employees who may come into contact with, but do not disturb, asbestos-containing materials (ACM/PACM) or lead. It provides essential information on the forms and uses of these substances, along with the associated health risks from exposure.

Led by Aaron Gundrum
 Industrial Hygienist
 MIOSHA, CET Division

Program Details...

Date:	Thursday, February 5, 2026	Time:	Check-in - 8:30 am Program - 9:00 am to 12:00 pm
Location:	Skyline Commons (formerly the Jutila Center) 200 Michigan Street Hancock, MI 49930	Deadline:	February 3, 2026
