# OSHA Construction 10-Hour Course

**Led by Jeanelle Allen**  
MIOSHA Construction  
Occupational Safety Consultant

### What You'll Learn...

This 10-hour program presents an overview of MIOSHA regulations for the construction industry. Detailed information is presented to enable the participant to develop an accident prevention plan as required by Rule 114 of MIOSHA Construction Safety Standard Part 1, General Rules. An overview of MIOSHA inspection procedures is presented, as well as the most frequently cited MIOSHA violations in the construction industry. Participants gain detailed information regarding construction and health standards relative to the industry. Emphasis will be placed on recognizing hazards and describing safe work practices to eliminate or control those hazards. Students will receive both MIOSHA and OSHA 10-hour cards upon successful completion of the class.
