VIRTUAL OFFERING

# Understanding & Improving Your Safety Culture

**Led by Tim Melko**

Occupational Safety Consultant

## What You'll Learn...

This course will provide the knowledge and tools for participants to gain an understanding of the factors that affect culture and how it impacts safety performance. Management Leadership/Commitment and Employee Involvement are the most critical components of having an effective Safety and Health Management System (SHMS). This course will use data, examples, case studies, and activities to illustrate best practices and assist participants in improving their company's safety culture.
